We'd like to hear your ideas

We'd like to hear your ideas

- PyData Edinburgh is foremost about **us all** as a **LOCAL COMMUNITY** interested in **Python** and/or **Data**

We'd like to hear your ideas

- PyData Edinburgh is foremost about **us all** as a **LOCAL COMMUNITY** interested in **Python** and/or **Data**
- (and **great talks** and **lightning talks** and ***chatting to brilliant people*** and **free drinks** and **pizza** and sometimes **cake**)

We'd like to hear your ideas

- PyData Edinburgh is foremost about **us all** as a **LOCAL COMMUNITY** interested in **Python** and/or **Data**
- (and **great talks** and **lightning talks** and **chatting to brilliant people** and **free drinks** and **pizza** and sometimes **cake**)
- While we have some ideas about improving ***the way we do things***, we would also like to **hear from you** what you think runs well and what has room for improvement.

We'd like to hear your ideas

- PyData Edinburgh is foremost about **us all** as a **LOCAL COMMUNITY** interested in **Python** and/or **Data**
- (and **great talks** and **lightning talks** and **chatting to brilliant people** and **free drinks** and **pizza** and sometimes **cake**)
- While we have some ideas about improving ***the way we do things***, we would also like to **hear from you** what you think runs well and what has room for improvement.
- We're currently creating a **QUESTIONNAIRE** and will give a more elaborate introduction, together with a link, once we're ready!

Have you seen this email or social media fuzz about **meetup charging £££** for attending events?

Community Announcements

Have you seen this email or social media fuzz about **meetup charging £££** for attending events?

However, you can rest assured, PyData events **are free and will remain free!**

Community Announcements

Have you seen this email or social media fuzz about **meetup charging £££** for attending events?

However, you can rest assured, PyData events **are free and will remain free!**

We have confirmation from meetup that this (questionable) change of policy **does not affect any PyData meetup group.**
