    berlin['thomas'] = thomas
```

Who are we?

Who are we?

(Sorry, no more baby news just now)

Congratulations Sam for the

Gender Diversity Champion of the Year

Commendation Award

We'd like to hear your ideas

We'd like to hear your ideas

- PyData Edinburgh is foremost about **us all** as a **LOCAL COMMUNITY** interested in **Python** and/or **Data**

We'd like to hear your ideas

- PyData Edinburgh is foremost about us all as a **LOCAL COMMUNITY** interested in **Python** and/or **Data**
- (and **great talks** and **lightning talks** and *chatting to brilliant people* and **free drinks** and **pizza** and sometimes **cake**)

We'd like to hear your ideas

- PyData Edinburgh is foremost about us all as a **LOCAL COMMUNITY** interested in **Python** and/or **Data**
- (and **great talks** and **lightning talks** and **chatting to brilliant people** and **free drinks** and **pizza** and sometimes **cake**)
- While we have some ideas about improving *the way we do things*, we would also like to **hear from you** what you think runs well and what has room for improvement.

We'd like to hear your ideas

- PyData Edinburgh is foremost about us all as a **LOCAL COMMUNITY** interested in **Python** and/or **Data**
- (and **great talks** and **lightning talks** and **chatting to brilliant people** and **free drinks** and **pizza** and sometimes **cake**)
- While we have some ideas about improving *the way we do things*, we would also like to **hear from you** what you think runs well and what has room for improvement.
- We're currently creating a **QUESTIONNAIRE** and will give a more elaborate introduction, together with a link, once we're ready!

Have you seen this email or social media fuzz about **meetup charging £££** for attending events?

Community Announcements

Have you seen this email or social media fuzz about **meetup charging £££** for attending events?

However, you can rest assured, PyData events **are free and will remain free!**

Community Announcements

Have you seen this email or social media fuzz about **meetup charging £££** for attending events?

However, you can rest assured, PyData events **are free and will remain free!**

We have confirmation from meetup that this (questionable) change of policy **does not affect any PyData meetup group.**
