

# July 2019

# Housekeeping

# What's on tonight?

- **Agamemnon Krasoulis**

“Machine learning-based upper-limb prosthesis control”

- **Lightning Talks**

- **Pizza, Drinks & chat**

# PyData

A community for  
developers & users  
of open source data tools  
to share ideas &  
learn from each other.

# PyData

promotes discussion of  
best practices  
&  
new approaches  
&  
emerging technologies

# PyData

data management,  
processing,  
analytics  
&  
visualization

# PyData

We aim to be an accessible,  
community-driven conference, with  
novice to advanced level presentations.

# PyData

We want *anyone* to be able to come along & feel welcome & enjoy the event.

We are dedicated to providing a harassment-free meeting experience for everyone.

Our global Code Of Conduct
